

Investors will buzz...

Clip-onNR™ - News Re-distribution

Marketing your message shouldn't stop when sending out your company's news release. Use **Clip-onNR™**, our low-cost value-added news release redistribution service targeting "active" traders.

How it works: Our **Clip-onNR™** system will re-distribute your news release within 1 hour of submission your company news to our 27,984 DOUBLE opt in newsletter subscribers. Additionally, if you prefer, you can embargo (delay) **Clip-onNR™** for a specified release date / time. Get started for as little as \$99

"Traders Nation® has been invaluable to us in terms of helping us define and deploy an IR campaign that has generated immediate investor awareness in a cost effective manner - we would highly recommend their services to any public company."

Lee Traupel
CEO
Intellective
Communications, Inc.
(otc: ITLV)

"All good! Great job Kurt, you guys are excellent!"

James Hunnington
President and CEO
Hunnington &
Associates, Inc

"Being featured on Traders Nation® broadcast and web site gave our clients credibility with the national investment community."

Brian Reynolds
Chief Operating Officer
National Capital Group

The Copywriter™

If for some reason your current system for getting the proper company message is not being met, consider having our professionals write your news releases for you.

With **The Copywriter™** our writers will draft the precise company message that will transform your message from dull and boring, to one that is energized. Our advantage; we're also traders and media leaders which uniquely qualifies us to write and deliver news releases that will help you get your message out and brand your company. *How critical is it for you to turn readers into investors?* Don't waste another minute, get started for as little as \$129
